Subject: Clarification Regarding Deficiencies in General Affiliation Up to Secondary Level Case. (Application No. SL-01246-2122 Dated: 18-03-2020)

Respected Sir,

Replying of Reference letter No: CBSE/AFF./SL-01246-2122/2021-22 Dated: 05-07-2020, it is request to you that,

A) We have received NOC from State Education Department whose no: 3/26/2020-3F3/2020527/1 Dated: 12/06/2020. We apologize that we received the Certificate (Appendix-II) from District Education Officer on 15/04/2020 during Lockdown and we didn't receive NOC till, but our file has been passed by State Education Department for NOC and we wanted to apply online affiliation according to C.B.S.E. before last date: 30/04/2020 which was extended to 30/06/2020. In the mean time, we received NOC on 12/06/2020.

Now, we are sending New Certificate (Appendix-II) received from District Education Officer and copy of NOC with this letter.

B) As per your another point of deficiency regarding rooms, you have mentioned that number of rooms in the school are less. Here we want to inform you that we have mentioned 43 rooms under infrastructure detail in online form. In Serial Number 17, we have shown you 5 other rooms which are vacant for secondary classes. Despite this, it is informed to you that in this school for Nursery to K.G-2 Classes, a new separate block is getting ready having 21 rooms, which was not mentioned in infrastructure detail earlier.

We have attached a Photo of separate Pre-Primary Block with this letter.

It is humble request to you to please forward this case after essential proceedings.

Regards
